Dear Sir:

The above-identified application went abandoned on or about June 6, 2008, the date on which the previous Petition was granted. Examiner determined that the amendment under 37 CFR 1.116, filed on January 22, 2007 and submitted with the Petition did not place the application in condition for allowance and being no Notice of Appeal or Request for Continued Examination was submitted with the Petition, became effectively abandoned on June 6, 2008.

Applicants' representative checked the file history of the case and determined that, Applicants had intended that the Amendment submitted on January 22, 2007 would place the application in condition for allowance or, alternatively, if not in condition for allowance, that a

Notice of Appeal or Request for Continued Examiner be submitted along with the amendment, on, or before, January 12, 2007, in response to the Office Action dated July 12, 2006, no Amendment placing the application in condition for allowance or, alternatively, if not in condition for allowance, that a Notice of Appeal or Request for Continued Examiner be submitted along with the amendment, has been submitted. Applicants now submit the Amendment they had intended to file on, or before, June 6, 2008, which places the application in condition for allowance, a Notice of Appeal and this Petition to Revoke.

Pursuant to the requirements of 37 C.F.R. § 1.137(1), Applicants submit herewith the reply required – the attached Amendment.

Pursuant to the requirements of 37 C.F.R. § 1.137(b)(3), Applicants state that the entire delay from June 6, 2008 (last due date (with maximum EOT) for submitting Applicants' Amendment) to July 22, 2008 (date of the present petition) was unintentional.

Pursuant to the requirements of 37 C.F.R. § 1.137(b)(2), please charge the \$1,300.00 petition fee set forth in 37 C.F.R. § 1.17(m) to Deposit Account No. 20-0668. Three copies of this sheet are enclosed.

Respectfully submitted,
